BE A ST. MARTIN'S SUPERSTAR!

Some businesses still have Covid secure measures in place. Please be respectful and follow their individual guidelines.

Help keep our beautiful island litter and dog waste free. Please find a bin or take your rubbish home.

Please keep dogs on a lead when walking along the road to stop them wandering in front of traffic and into homes and gardens.

Water is precious on the islands. Little things like turning off taps when you clean your teeth can make a huge difference.

GETTING ABOUT
